

Acme Corporation - New Starter Onboarding Guide

Welcome

This guide covers your first two weeks at Acme. Your manager will walk through it with you on day one.

Day One

Collect your laptop and access badge from the reception desk. Your accounts are created in advance, and your temporary password is sent to your personal email address the working day before you start.

You must change that temporary password on first sign-in, and enrol in multi-factor authentication before you can reach any internal system.

Probation

New employees serve a probation period of six months. Your manager will hold a formal review at the three month mark and again before probation ends. Probation may be extended once, by up to three months.

Holiday and Time Off

Full-time staff receive 25 days of paid annual leave, in addition to public holidays. Leave accrues monthly and unused days do not carry over into the following year beyond a maximum of five days.

Requests must be submitted at least two weeks in advance through the HR portal, and require manager approval before travel is booked.

Working Hours

Core hours are 10:00 to 16:00. Outside core hours, staff may start and finish at times that suit them, provided their contracted weekly hours are met and meetings are honoured.

Remote Work

Staff may work remotely up to three days per week. Fully remote arrangements require director approval and are reviewed annually.

Support

IT support is reachable through the internal helpdesk. For anything related to pay or contracts, contact the people team directly.
